DIARY NOTES

2. I talked to John Tietjen about the possibility of visiting with [REDACTED] prior to 5 August. He advised me against this and suggested that I limit my contact to a telephone call until I returned from leave. 25X1A9a

3. I advised John Tietjen of those parts of the Inspector General's Report on his trip to the [REDACTED] which would be of interest to the Medical Staff. (Incidentally, I have already advised [REDACTED] of items which are of interest to him.) 25X1A9a

4. Emmett Echols reported to me that he had attended a meeting of the Efficiency Task Force to find that Regulations [REDACTED] were the only items on the agenda and that Mr. Kirkpatrick had suggested that he substitute for [REDACTED] during his absence. There were other indications that the Efficiency Task Force was trying to take over this matter again and I shall decline to allow Emmett to be the DD/S representative. I will also remind the Task Force that Regulations [REDACTED] are not their responsibility. 25X1A

6. I had another talk with [REDACTED] about the date of his departure and it has been agreed that he would leave on 1 September 1960. 25X1A9a

7. I asked Matt Baird to review the material which DD/P sent me concerning [REDACTED] after which he was most reluctant to accept him in the Office of Training. I am drafting a memorandum to DD/P telling them that we do not want [REDACTED] and that we would accept him only as a temporary measure and with the Director's approval. 25X1A9a
